Subject: request for CES Mendota UIC permit application

EXTERNAL:

Hi Janice,

I spoke with Rebecca Hollis (cc on this email) of the Clean Energy Systems (CES) about the State Water Board (SWB) request for a copy of the CBI-portion of the CES Mendota UIC Class VI Pre-construction permit application. CES agrees to provide SWB a copy of the CBI as long as SWB treats the information as confidential. Please work directly with Rebecca to get the information from CES.

Hi Emily – Please also contact Rebecca in case that the California Geologic Energy Management Division (CalGEM) would like a copy of the CBI, too.

Thanks,
Calvin
